

Gibson Giving Tree List

In an effort to align our supply lists across the district from school to school, the district has created a standard supply list for each grade level. As you can imagine, this list was difficult to create and certainly didn't meet the needs of all teachers. There are a few items at every grade level that we are still hoping could be donated. Please do not feel obligated, we will surely make due, but below you will find some of the important supplies by grade level that our Gibson teachers would appreciate if possible. If you are interested, feel free to bring these items with you to Open House or anytime after school starts. If you have a connection to a business that may be able to donate items, please let the office know! Thank you very much for your continued support of Gibson teachers!
