Please refer to the website or the school calendar for the dates of the general meetings. The PTA’s meeting schedule this school year will be held the second Tuesday of each month at 6:30.

The PTA strives to have inviting, interesting and informative meetings. It is important to offer a general meeting that allows everyone to take ownership of the issues facing our school.

Our meetings are efficient. We make use of an agenda that allows the general PTA membership to make a motion on a group of items all at once, if no additional discussion is required.

*We want to offer an experience
that allows parents to be more
informed and active in their
children’s education and their
school.*
